the Illinois man. The fact, now developed, that there will be contending delegations from all or He leaves his contending delegations from all or Mrs. Louise Todd Hauge, with directions nearly all the Southern States, one delegation for Taft and the other uninstructed, has made it plain that a big battle for the control of the national convention

The widow is also directed, at her control of the national convention. will be waged. The national committee will make up the temporary roll of the Chicago convention, and the delegations which it favors will be seated until the convention declares otherwise. Each of these delegations, seated by national computer these delegations, seated by national computer these delegations, seated by national computer the seated until the fact that t these delegations, seated by national committeemen, will vote upon all contests except the particular contest in which it is involved. From this it is obvious that appointed executor of the will the control of the national committee will be a tremendous asset to any candidate From Oct

or combination of candidates. When the national committee met here NINE re

in December it was evident that it was not controlled by the Federal administration. The administration wanted Kansas City selected as the place for the national convention, because in Kansas City there was supposed to be an overwhelming Taft sentiment. But the committee selected Chicago, and immediately there were loud cries from the administration quarters of a "conspiracy" against Taft. In the first flush of their indigna-

Change Places of Meeting.

At the meeting of the local committee of arrangements for the convention, Thursday last, the subcommittee on halls for meetings was instructed to consider the advisability of changing the place of meeting for the general and departmental sessions from D. A. R. Continental Hall to the First Congregational Church. This change was suggested by reason of the report from Miss Hodgkins, chairman of the house committee of Continental Hall, to the effect that the recent experience in heating the hall in cold weather had demonstrated that it could not be made comfortable.

The subcommittee, consisting of Commissioner Macfarland, Dr. Woodrow, Dr. Power, Dr. Greene, Mr. Luebkert, and Mr. Budd, who was eighty-two years of Secretaries Jones and Cope, last evening eral evening sessions, and to the Y. Although be had traveled widely, Mr. Pinchot

Forestry, and in many other ways the town of Mil-ford has felt the influence of his untiring interest in its welfare.

Mr. Pinchot was to the last a man of singular keen interest in public affairs, of penetrating mind, of great vigor, as well as great sweetness of disposi-tion, and of an old-fashioned courtesy which pecu-liarly distinguished him.
